It is also said that yard rearrangement and enlargement will be taken up during the present month and, when once started, will be continued without interruption until the proved plans have been fully com-

KE KNEW THE CIRCUS

RINGLINGS WERE REARED IN AN IOWA TOWN.

Where W. S. O'Brien of the Ogden Office of the Postal Telegraph Played Marbles With Them.

'I couldn't help but think what wonlerful progress the Ringling Bros. have made in the show busine I knew them as boys at McGregor, Iowa, when I saw their great street parade yesterday morning, and their mammoth performance last night," said W. S. O'Brien, manager of the Postal Telegraph Cable company, in Ogden, this morning.

Yes, the world's greatest showmen and I were kids together in that little lowa town, and the times the boys of today enjoy would not hold a candle to the fun we used to have.
"I never shall forget the first Ring-ling circus I attended. The boys gave

ing at the Union Depot this morning twenty pins admission, and we sure travelers headed in every direction.

Rio Grande trains this afternoon town were there. We had to pay twenty pins admission, and we sure got our money's worth. Each of the Ringling boys had some stunt to perform. Even then, the older boys brought in more than two hundred around town would say, 'Some day passengers for the north, and extra those lads will own a real show of their equipment was placed on Short Line own.' That made all the rest of us trains to handle the unprecedented kids sit up and take notice, and we admired the youthful performers all "We had plenty of shows in those
